

Canadians Involved in Cannabis Industry Should be Careful Crossing the U.S. Border

October 16, 2018 – Cross-Border Counselor

by Christopher L. Doerksen

With the legalization of marijuana going into effect in Canada tomorrow, October 17, we encourage our Canadian contacts to be careful when crossing the U.S. Border. For more information, see the recent article authored by Dorsey's Immigration Practice Group posted on our Cannabis Blog here: dorseycann.com/at-the-intersection-of-cannabis-and-u-s-immigration-law-issues-that-canadians-and-other-non-citizens-should-be-aware-of/.
