

David Tang Comments on SEC's Investigation of Unauthorized Messaging

by David Tang

New York Partner David Tang shared his thoughts in a PrivateFundsCFO digital magazine article on the SEC's unauthorized messaging investigations. Stemming from recent charges announced against Senvest Management LLC, many expect to see more enforcement of electronic communications practices. In reference to the anticipated uptick in investigations, David commented: "I wouldn't say it's a prelude. I think it's already happening."
