

# Dorsey Webinar: Preparing for Section 16 Reporting by Insiders of Foreign Private Issuers (1/29/26)

*January 22, 2026 – Cross-Border Counselor*  
by Kimberley R. Anderson

---

Directors and officers of SEC-reporting foreign private issuers will be required to report their beneficial ownership and transactions in company equity securities to the SEC beginning March 18, 2026, absent exemptive relief from the SEC. On Thursday, January 29th at 12:00 CT, Dorsey is presenting a complementary webinar that will provide an overview of the process of obtaining Edgar filing codes for your insiders, the information required for the initial Section 16 reports, and the basics of Section 16(a) reporting. More information, including the availability of CLE and CPD credits, and registration are available [here](#).
