

Dorsey's TMCA Blog Named One of ABA's Top 50 Blogs

by J. Michael Keyes, Fara Sunderji, and Charlene Krogh

Dorsey and Whitney's [TheTMCA.com](http://www.thetmca.com) blog is pleased to have been recognized as a top blog in the legal industry. Here is a quote from the ABA website.

The acronym TMCA in this Dorsey & Whitney blog stands for trademarks, copyrights and advertising, and posts cover entertaining legal developments in those areas of law. Readers wrote to us about this blog's commitment to fun, some citing one post about a fair use lawsuit filed by the heirs of Dr. Seuss entirely in Seussian rhyme. "Despite the light-hearted treatment of the subject, they are able to cleverly convey their thesis," says Joe Sicilia, a solo in Spokane, Washington. "It's brilliantly clever writing and informative subject matter."
