

How an Already Complex PERM Recruitment Process is Further Complicated by EPT Laws

by J. Mike Sevilla

Associates Anabel Cassady and Mike Sevilla wrote an article for the Spring 2024 issue of *Perspectives*, the Federal Bar Association Younger Lawyers Division's newsletter.

"Equal pay transparency (EPT) laws are on the rise across the country. While complex in their own right, EPT laws introduce new risks and challenges for employers undergoing an already complicated recruitment process to hire foreign nationals through what is known as PERM."
