London – +44 20 7031 3722

Jonathan delivers composed, strategic advice that advances client interests and secures effective outcomes across a broad litigation practice.

Jonny focuses on High Court and arbitration cases, guiding businesses and individuals through complex corporate and commercial litigation, shareholder and director issues, fraud claims, and various other business disputes.

His work is often cross-border and spans a wide range of industries, including technology, banking, finance, and energy and natural resources. Jonny helps clients safeguard and strengthen their interests and resolve conflicts decisively and constructively.
