

Michael Weaver

Partner

weaver.michael@dorsey.com

Minneapolis – 612.492.6114

Michael helps clients achieve their objectives in the food and agribusiness and renewable energy industries.

Michael has been assisting farmer cooperatives and public and private companies in agriculture, renewable energy and renewable transportation fuels industries with tax credits, carbon credits and LCFS markets, mergers & acquisitions, public and private securities offerings, governance and entity structuring matters, strategic planning, and tax planning and government policy initiatives since 1995.

He has extensive experience advising cooperatives, corporations, limited liability companies and other business clients, primarily in the food and agribusiness and renewable energy and transportation fuels industries, in a wide range of matters, including cooperative law, business structuring, governance, equity structures and monetization transactions, joint ventures, capital formation and debt financing, federal financial assistance and compliance programs, public and private securities offerings and mergers and acquisitions.
