

Nisha Verma Comments on Wage & Hour Cases to Watch in 2025

by Nisha Verma

Dorsey Labor & Employment Partner Nisha Verma contributed to a Law360 article on the top five wage and hour cases to watch in 2025. Nisha commented on two topics: FLSA burden of proof before justices and the unclear future of the overtime rule. Regarding the overtime rule, Nisha pointed out that "if the Trump administration ... defend[s] that Texas federal court's decision, they're kind of hamstringing themselves from making their own increase because they're pushing the logic that they don't have the right to make increases."
