Minneapolis – 612.492.5173

PATRICK IS RESPONSIBLE FOR THE WORLDWIDE DELIVERY OF EFFECTIVE AND EFFICIENT BUSINESS OPERATIONS TO THE FIRM AND ITS CLIENTS.

With over 30 years of experience deploying human capital to achieve business results, Patrick leads a team of senior professionals in the areas of talent management, finance, technology, knowledge management, business development, legal practice support and office operations.

Patrick balances the needs of the Firm's various legal practice and administrative areas with a clear sense of the Firm's collective interest. This requires a commitment to innovation and a willingness to listen carefully to the goals of all stakeholders. Patrick has implemented numerous operational improvements that have steadily increased the Firm's performance, creating value for Dorsey to share with its clients.

His experience includes previous positions with a large insurance company and a major university, as well as work as an executive consultant.
