

Randi Rowe

Senior Paralegal

rowe.randi@dorsey.com

Seattle – 206.903.5482

Randi provides assistance in all aspects of patent prosecution.

Randi is a senior patent paralegal with over 17 years of experience supporting domestic and international patent portfolios. She works closely with attorneys and clients to provide comprehensive support for U.S. and foreign patent filings, patent portfolio management, and due diligence matters. In addition to her prosecution support responsibilities, Randi assists with billing and operational functions and contributes to the development and implementation of best practices to enhance efficiency and ensure compliance.
