Seth Goertz Highlights Impacts of SEC v. Coinbase Case

by Seth Goertz

Dorsey GSI Partner Seth Goertz shared his insights into the SEC v. Coinbase case in an interview with CryptoNews. The case is part of the SEC's attempt to obtain control of the cryptocurrency market, asserting that a number of cryptocurrencies can be categorized as securities and need to be registered. Seth points out that "if the courts say Bitcoin is a security, anyone has Bitcoin or anyone who’s trading Bitcoin in that way in an exchange. You’re going to be subject to the SEC."
