

Status Check on the SEC's Proposed Overhaul of the Mining Disclosure Regime (Part 2)

January 29, 2018 – Cross-Border Counselor

by Christopher L. Doerksen

The SEC is aiming to finalize its new mining disclosure rules within the next year, according to statements made last week by William Hinman, Director of the SEC's Division of Corporation Finance, at the Securities Regulation Institute. For more details regarding the SEC's original 2016 proposal to revamp the rules, and reactions by industry, see our summary of the initial proposal (here:
