

Steven Avena

Of Counsel

avena.steven@dorsey.com

Denver – 303.352.1113

Steven is a seasoned patent lawyer with a technical background in semiconductor devices, cloud-based IT and data management services, cellular and satellite communication, and firearms.

With extensive experience in preparing and prosecuting U.S., international, and foreign patent applications, Steven provides comprehensive counsel to clients and foreign associates. Steven provides patentability and clearance analysis, develops targeted protection strategies for standards and products, and provides patent portfolio growth and management strategies.

In post-grant proceedings, Steven has led high-stakes cases on both the petitioner and patent owner side. He also provides essential litigation support, including analysis of non-infringement and invalidity positions.
