

Sumner Pitt

Associate

pitt.sumner@dorsey.com

Minneapolis – 612.492.5268

Sumner counsels healthcare industry and non-profit clients through regulatory and compliance matters, as well as complex transactions.

Sumner is passionate about providing practical and actionable advice so clients can feel confident about their business decisions. Sumner uses his background in government and his knowledge of information privacy laws to support healthcare clients navigating a highly regulated industry. Sumner holds a Certified Information Privacy Professional Certification from the International Association of Privacy Professionals.

Before joining the firm, Sumner worked in the Office of the Minnesota Attorney General and interned with the U.S. Attorney for the Western District of Wisconsin.
