

Tax chapter in Michael Droke et al, Cooperative Business Law: A Practical Guide to the Special Laws Governing Cooperatives: Third Edition

by Michael Droke, Rachel Benedict, Michael A. Lindsay, and Kendall R. Fisher

The field of cooperative business law has expanded as the use of this unique corporate structure extends into new business areas. Michael Droke and other members of Dorsey's Food, Beverage & Agribusiness industry group and Cooperative Law practice group have compiled this practical guide to help board members and executives understand the many and varied legal issues that can arise when serving a cooperative and its members.
