

The Fundamentals of Shareholder Litigation

by Kent J. Schmidt and Kirsten Schubert

Every enterprise, from a large public company to a small private business, needs to be concerned about lawsuits from company's ultimate owners – the shareholders or other stakeholders. In this episode, Dorsey Partners [Kent Schmidt](#) and [Kirstin Schubert](#) explore basic shareholder rights and how lawsuits are brought to assert and vindicate those rights. They unravel some of the complications that arise in this unique type of litigation and ways companies can prepare to weather a shareholder lawsuit.
