

The Supreme Court - November 15, 2021

Today, the Supreme Court of the United States granted certiorari in the following case:

Sundance, Inc., No. 21-328: Does the arbitration-specific requirement that the proponent of a contractual waiver defense prove prejudice violate this Court's instruction in *AT&T Mobility LLC v. Concepcion*, 563 U.S. 333, 339 (2011), that lower courts must "place arbitration agreements on an equal footing with other contracts?"
