

Two U.S States Adopt State-Level Premerger Notification Requirements

by Anthony P. Badaracco and Kristina Maude

Partner Anthony P. Badaracco and Associate Kristina Maude authored an article in the *European Competition Law Review* examining new state-level premerger notification requirements. Washington and Colorado recently enacted laws requiring entities to submit premerger filings at the state-level in addition to federal notifications. Modeled on the Uniform Law Commission's Uniform Antitrust Pre-Merger Notification Act ("Uniform Act"), these laws introduce additional compliance for merging parties. The article outlines the implications of these developments and provides guidance on navigating the new requirements.
